WORLD JEWISH CONFERENCE AGAINST COMMUNIST ANTI-SEMITISM
BRANDED AS WESTERN WARMONGERING

Comment: The Communist and pro-Communist press has constantly denied anti-Semitic charges made against the USSR by Western newspapers. In the following article, which appeared in the Paris pro-Communist Yiddish-language daily Naye Presse, A. Yudin, editorial writer, accuses the so-called "Jewish agents of the war camp" of increasing their war-propaganda campaign against the USSR as ordered by their "boss" (Western powers, namely the US).

Yudin specifically criticizes the plan to hold a World Jewish Conference Against Communist Anti-Semitism as another warmongering effort by the West. (The World Jewish Conference Against Soviet Anti-Semitism scheduled for 10 March 1953 in Zurich under the auspices of the Jewish Agency has been postponed to a future unidentified date as a result of the death of Josef Stalin, according to the New York Day-Jewish Journal of 8 March 1953.) Yudin ironically calls attention to anti-Semitic activities allegedly taking place in the US.

The Jewish agents of the war camp were not content with the bombing of the Soviet Embassy in Israel. As their "boss" Western powers, namely the US ordered, they had to do even more than that. They had to increase their war-propaganda campaign against the USSR by planning a so-called "World Jewish Conference Against Communist Anti-Semitism." Their recent feverish campaign is the result of Eisenhower's election as President of the US, because since that time the world has been living under the constant threat of a third world war. Also, the directive of John Foster Dulles to ratify the Bonn peace treaty as soon as possible, the order to Chiang Kai-shek to prepare for an attack on China, the blockade of the China Sea, and the all-too-frequent demands of US congressmen and senators to use the atomic bomb have contributed to the increasing activities of these Jewish agents.

RESTRICTED

It is certainly clear to any honest human being that the socialist world is not to blame for the danger of anti-Semitism. It is the capitalistic world, especially the US, which forbids Jews to enter certain hotels, has a "numerus clausus" to restrict the number of Jewish students in colleges, desecrates, Jewish synagogues, and permits a scientific institute to publish a racist bulletin [not otherwise identified] which regards the Jews, the Negroes, and the naturalized citizens as lower races. It is in the US where the anti-Semitic press rants and Hitler's loyal servants from all countries can be found. Only in the Western world are the Nazis increasing and Hitler's praises sung in the press and in literature.

Many other facts could be brought out which really constitute the danger for the Jewish masses, but the above-mentioned facts alone prove that the agitation campaign of the Western world against alleged Communist anti-Semitism is merely a cover for war propaganda of the Jewish agents.

The present warmongers are preparing for the next world slaughter under the slogan of "Fight Against Communism," and the Jewish agents of the war camp are supporting the Jew-murderers, the Hitler outcasts of all countries, and the Nazis in Bonn with a crusade against "Communist anti-Semitism." The warmongers speak of "liberating" the people of the USSR and the People's Democracies, and the Jewish agents are supporting this agitating war propaganda.

However, the Jewish masses know that this so-called "World Conference Against Communist Anti-Semitism" is nothing but an agitating campaign of the warmongers.
